

SOUTHEAST CAMPUS

Located on a scenic 53-acre site in Plymouth, Massachusetts, **Southeast Campus (SEC)** is a gender-inclusive residential treatment program, which is also home to The COVE School, a private special education school with an optional vocational track. Together, the educational and residential services of Southeast Campus create an environment where youth build self-esteem and grow both academically and socially.

At SEC, youth who are navigating complex behavioral and emotional needs build self-regulation, confidence and connection. Our staff promotes positive social-emotional skills, supporting residents in reaching their academic, behavioral and permanency goals and providing vocational opportunities and fun enrichment activities. Residents attend school on or off campus.

We Provide:

- ♥ Clinical support
- ♥ Trauma-informed care
- ♥ Individual, group and family therapy
- ♥ Permanency work
- ♥ Additional supports, such as speech therapy or occupational therapy, depending on the youth's needs
- ♥ Engaging extracurriculars, including lakeside and field activities and off-campus outings

About Us

For over 225 years, The Home for Little Wanderers has helped build stable lives and hopeful tomorrows for children who are abused, neglected or in at-risk circumstances.

Our 30+ community-based and residential programs serve thousands of children and their families across the Northeast. Many of these youth are victims of trauma, violence or shattered family lives. At The Home, we ensure their emotional, social, educational and physical well-being through a wide range of critical services. Because every child deserves happiness, and no child should go through life alone.

THE COVE SCHOOL

Success for All Learners

At **The COVE School**, our mission is to advance every student's academic, emotional, physical and ethical development. Our staff meets the specific needs of each individual student within an experiential environment that is structured, supportive, hands-on and predictable. We strive to teach all students to be confident and independent as they learn the skills to be happy, healthy and productive adults.

At The COVE School, we meet youth where they are and offer all students a wide range of academic, therapeutic and vocational services. Youth are challenged academically to achieve their greatest potential, receive life skills education and exposed to vocational opportunities, including carpentry and culinary and horticulture programs.
